

Special Scholarship for Physical Education Teachers. *New opportunity*

Mainwoods Dance Camp invites teachers to learn about introducing dance into physical education classes. As dancers, we have seen the benefits of aerobic exercise and connection to others that dance offers. Some of us even started dancing in school. Perhaps you'd be interested in learning more about dance so that you could offer it to your students.

Thanks to the generosity of one of our donors, we are currently offering a full scholarship (plus travel expenses if you live more than 250 miles away) to Mainwoods Dance Camp in August of 2023. You'll get the full camp experience as described elsewhere on our website. The scholarship includes meals and a bed in a cabin with other people of the same gender. You will meet interesting and friendly people and be exposed to the fascinating music and dance of people in other parts of the world.

We provide a mix of basic and advanced classes to introduce you to the fundamentals of international folk dances. We can coach you on teaching dance to your students and help you with sources for folk dance music.

If interested, please complete the registration form on our website, and the information below, then send these to our registrar.

Name: _____

Employer: _____

Briefly describe your career as a physical education teacher (where and how long, you've worked):
