Include the date and time of your arrival and departure, and, if flying, provide your airline and flight numbers. Please provide this information as soon as possible.

Transportation from Portland

If you plan to fly to Portland the same day camp starts, your flight should be scheduled to arrive early in the day but **NO LATER THAN 3PM**. Portland is over an hour away from camp and we don't want you or your driver to miss any of the fun. We understand that flights get rescheduled or delayed and we will do our best to accommodate you.

Please plan your departure on Saturday when camp ends for **10:30AM OR LATER**.

Transportation from Conway

A convenient and inexpensive option for travel to camp is taking a bus to Conway, NH, which is only 20 minutes from camp. Concord Coach Lines (concordcoachlines.com) has bus service to Conway from Logan Airport and Boston South Station.

See you soon!
